

A guide to the expansion of consciousness made possible by the Galactic Alignment of 2012
â€¢ Reveals the new era that will be ushered in as the current perception of time collapses and spiritual perception expands
â€¢ Explains the psycho-spiritual preparations necessary to transition into this new era
â€¢ Shows how the alignment of the sun with the Galactic Center will allow humans to experience awareness normally reserved for shamans, pharaohs, and sages
This is an extraordinary time in the planetâ€™s history. Starting in 2012, for the first time in almost 26,000 years, our sun will be most closely aligned to the Galactic Center. This Galactic Alignment, which began with the Harmonic Convergence in 1987 and will conclude in 2023, presents a thirty-six-year window of opportunity for humanity to participate in the creation of a new era of expanded consciousness. Christine Page explains that, as the source of all creation, our galaxy is the Great Mother and its center, her heart. Auspiciously aligning Earth with the heart of the Great Mother, the Galactic Alignment heralds a rebirth of the divine feminine qualities of the Triple Goddess--intuition, emotional creativity, and renewal. Drawing on alchemy and mythology, Page details how to connect with and use the sacred spiritual tools unlocked during the alignment to merge with the Great Mother, a spiritual transformation that allows us to expand our awareness and experience ourselves as eternal beings.
