

America In Bible Prophecy: REVELATION Chapter 18 is a thorough, enlightened discussion of the 18th chapter of the Book of the Revelation of Jesus Christ, and, its prophetic ramifications for the times in which we live. In-depth, and rich, author Alvin Mitchell argues forcefully, that the United States of America and its churches do indeed figure quite prominently in the eschatological plans of Almighty God. Through careful analysis of the particulars, Alvin demonstrates that the chapter actually sets forth a profile of a nation (not an ancient city/state or, an ancient empire, rebuilt) that can only exist in our times, having a footprint that can only match one footprint—that footprint, having no other print anywhere upon the sands of time, being fully realizable, at this very moment. Void of traditional the “she said, she said” language—thought to epitomize top notch scholarship in some circles—Mr. Mitchell sidesteps the “rat race” of interpretation employed by “so-called” “prophecy experts” by cutting straight to the chase, providing a detailed fresh new look at a most problematic subject. Thus, America In Bible Prophecy: REVELATION Chapter 18 is Part I in a series of three (in this one volume) that takes serious exception to common evangelical/fundamentalist Christian notion that the United States of America is never mentioned in the Bible. In American In Bible Prophecy: Babylon the Great, author Alvin Mitchell provides overwhelming, incontestable support for his contention that Babylon the Great is the United States of America. Picking up, in this second of a three part discussion, where he left off in his thorough analysis of Revelation chapter 18, and in light of that prior conclusion, Alvin ponders the question of Babylon the Great, along America’s historical lines. Toward that end, he argues the following points, in three main categories: Without a doubt, she is the brainchild of Almighty God. Reaped the benefits, in arrogance, does nothing to conform nationally to His will Deliberately and intentionally maintained horrible relations and interactions with other races in colonial years, the ante-bellum slave era, the years of Jim Crow Longstanding passion for oppression, suppression and repression of other races, most notably, the Africans; covers its shame in lies, in the name of God! Churches: driven by secular concerns; largely without influence or impact, particularly in the south, for almost 450 years; false doctrine pervasive white south and her churches intentionally damned African souls; vilely mistreated slaves; systematically mislead and denied African Christian conversion, 250 years. Evils and injustices perpetrated, justified, institutionalized, in the Name of God She is not and has never been a Christian nation Founding fathers: mostly deists; religious, few, if any, true Christians A nation hated, despised and disowned by God, blessings notwithstanding Caucasian voices renouncing the notion of a “Christian” America led my Dr. Billy Graham Secret Societies: Devil worshipping, predominately Caucasian male affluents and intellectuals; dominate force in shaping America’s anti-God climate, including the Churches Thus, on the aforementioned grounds, in America in Bible Prophecy: Babylon the Great?, Mr. Mitchell proves that the evidence in favor of the United States as Babylon the Great, including its economic footprint, is overwhelming. In American In Bible Prophecy: The Achilles Heel!, author Alvin Mitchell thoughtfully details the treachery, the nature of and the motivation driving that treachery, and the man-made mechanism that will deck the most powerful nation in the world in 1 hour. By expose of Stanislav Petrov, Mr. Mitchell will demonstrate that this “1 hour” demolition prophesied in AD 96—a dreadful possibility since Hiroshima and Nagasaki—almost “accidentally” materialized pre-maturely on September 26, 1983.
