

Comprehensive preparation for the Graduate Management Admission Test begins with an overview and introduction to the GMAT, which is a computer-adaptive test. A diagnostic test with answers precedes an extensive Correct Your Weaknesses section, which presents separate chapters on essay writing, reading comprehension, sentence correction, critical reasoning, and math. Two full-length practice tests with questions that reflect recent GMATs are presented with answers, analyses, and directions for evaluating the test takers score. The manuals concluding section discusses business school basics, with advice on choosing a school, coping with the application procedure, financing a business school education, and entering the job market. An enclosed CD-ROM presents two computer-adaptive GMAT practice tests plus computerized versions of the books two practice tests.
