

Dylan steers clear of vanilla girls, preferring to find his play partners in the BDSM scene. But something about Zoe Stamos whispers to the Dom inside him. As they work together on a complex multi-million dollar investment deal, it is all too easy to imagine her naked and bound, skin glistening with sweat, her hair wild about her face. He can almost hear her breathy cries as he cracks a whip behind her, letting its sharp tip flick over her skin. When a key investor pulls out of a deal Zoe hoped would make her career, Dylan Hart offers to step in and cover the six million dollar shortfall, but his terms are like nothing she's ever heard before. "You will spend the next forty-eight hours as my sexual slave. You will be confined to my basement dungeon, and you will be subject to my every sensual whim." Zoe, who has a secret cache of dark, edgy erotic romances in her library, never dreams she'd be offered the chance to step right into the pages of one. Fantasy is one thing, real life erotic submission is quite another! But Dylan is waiting for her answer, his self-assured arrogance and intense sexual allure nearly too much for Zoe to handle. Her heart is hammering in her chest, and it's hard to catch her breath. "So," he says, "do we have a deal?"
