

Sexy, listless playboy Cameron Beran has a secret. Everyone assumes that things just come easily to him, that hes not serious about settling down or finding a mate. In truth, hes just been waiting for the right moment, the right woman. When the stars align and put Alexandra Hansard in his path, he knows that his time has come. Independent, no-nonsense Alex is new to the world of werebears, and shes only looking for a mate to further her own political aims. When shes thrust into Cams life, she sees an opportunity - for a business relationship, nothing more. If she happens to find Cameron wildly arousing, thatll be her little secret. After destiny throws them together, they embark on the beginnings of a newfound relationship... a term that means very different things to both Alex and Cameron. Trust is hard to come by, especially for a playboy and his fiercely stubborn mate. When all the secrets come out, Alexandra and Cameron will have to choose, and the stakes couldnt be higher... 18+ for filthy language, naughty nights under the stars, and white-hot adult situations!
