

This is not your regular coloring book for kids with Disney characters or flowers to color. This book is full of fantastic images that will give your child many coloring options and the result will be unique and beautiful. Popular author of coloring books for adults and teens, Bella Stitt, chose for kids her drawings with bigger patterns and added positive messages/affirmations above them. Images of the book will boost your child's creativity while positive messages will improve self-esteem. As a bonus, at the end of the book we added some more pictures (without affirmations). This book will be appropriate for children ages 7-13. Find more books on [www.BellaStitt.com](http://www.BellaStitt.com)
