

Essays in History is a collection of papers and articles providing a breathtaking span across the twentieth century and delving into such diverse topics as economic and financial crises in the sixteenth century, retirement reading for bankers, and a first-hand account of the genesis and formation of the Marshall Plan. Who else to explore such far-flung topics, and bring such intelligence and wit to them, as Charles Kindleberger? Readers will find here a strong view on the need for economic history to guide theoretical research. They will also detect Kindleberger's doubtfulness regarding economic theory based on assumptions that all participants in society are honest, well informed, and make their judgments independently. Finally, they will be led to the conclusion that, in light of these views, those who think that finance and the economy should be completely unregulated are misguided. A foreword by Peter Temin, professor of economics at MIT and former student and colleague of Kindleberger's, history, Charlie Kindleberger still writes brilliantly--pro-foundly, but also intelligibly and wittily. --H.W. Arndt, Australian National University Essays in History is not just extraordinarily well written, but a delightful and engaging read that helps put current financial and economic questions into proper historical perspective. --Douglas Irwin, Dartmouth College Charles P. Kindleberger is Ford International Professor Emeritus of Economics, Massachusetts Institute of Technology.

Course of Pure Mathematics 9TH Edition, Returns Of The Railroad Corporations In Massachusetts, 1867: With Abstracts Of The Same, Best of Twain: 8 Volume Set: Huck Finn, Tom Sawyer, Puddinhead Wilson, Roughing It, Connecticut Yankee, Life on the Mississippi, Tramp Abroad, and Innocents Abroad, A Phylogenetic Fantasy: Overview of the Transference Neuroses, BWWM: A Caged Heart: The Complete Series (A Bad Boy MMA Fighter Contemporary Romance Collection), Der Anhalter: Ein Jack-Reacher-Roman (Die Jack-Reacher-Romane 17) (German Edition), Aelfred of Rievaulx: Pursuing Perfect Happiness (The Newman Press), Adams Diary, Huckleberry Spring (The Matchmakers of Huckleberry Hill series Book 4),
