

Emerging from the shadow of popular reproductions, Frankenstein's importance in debates about gender, culture and politics has been dramatically affected by recent developments in criticism and theory. This volume collects the most significant contemporary work on the novel from Marxist, Psychoanalytic, Historicist, Feminist, Poststructuralist and Postcolonialist perspectives. The book reflects the way that monstrosity in its literary, historical and philosophical context raises crucial questions for modern issues of sexuality, class, science, race, language and identity.

METRO 2034: (Dutch edition), Ninth Cycle Antarctica: A Thriller (A Rossler Foundation Mystery) (Volume 2), Black Fridays: A Novel (Jason Stafford Book 1), Ultimate Mapping Guide for Kids, Stormcatcher, Gille of Limerick (c.1070-1145): Architect of a Medieval Church, Hudibras (c OET t Oxford English Texts), Generous Anger: The Story of George Orwell (World Writers: Social Critics and Reformers),
