

Make exciting and simple paper airplanes with this origami kit. Fun & Easy Paper Airplanes presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. This fun origami book contains detailed instructions for original paper airplanes—showing how to create origami airplanes that really fly. The easy-to-remove perforated pages, with printed lines showing the proper folds, will have you or your children folding like a pro in minutes. All the origami projects are designed to be simple enough to be considered origami-for-kids projects, and can be assembled by beginning origami folders. Paper airplanes are a great way for children to learn origami and gain an interest and appreciation for this fascinating art form. The flashy folding papers already have plane images printed on them, making the finished origami planes look as awesome as they fly. This origami book contains: Full-colored origami assembly book Step-by-step instructions and diagrams 16 original design projects for planes 84 two-sided origami folding papers A variety of colors with printed fold lines Fun and accessible for both the paper crafts novice and the more seasoned paper folder, this wonderfully giftable origami book gets you started right away and is a great value. The pre-colored origami paper is ready to fold—No scissors or glue required! Origami airplane projects include: Diamond Dart Star Clipper Wave Rider Jumping Jack Stingray And many more!
