

Now that all these ingredients have been gathered, some still need to be added and completed by the Holy Ghost; I can begin to fulfill my purpose for which God has created me for. I am not perfect. Every now and then, I have to stir up my ingredients. The pot continues to simmer. I am not done yet. There are ingredients that still can be added. Life is a journey with a destination. "Success is a result of planning. Success just does not happen. Success occurs when opportunity meets preparation. Success is a process. Success is not a destination, it is a journey. Success is not a failure but learning from failure." I was inspired by the Spirit of God to write this book to help you achieve the success you desire in life. The quotes, messages, and scriptures in this book are designed to empower you, equip you, and motivate you as you journey along the highways and bi-ways, the mountains and the valleys toward spiritual development and personal success in your life. May God bless you and keep you.
