

Utilizing the testimony of several ex-Muslims (including a former terrorist), Islam and the Last Days takes the reader into the head of a Muslim, revealing what he believes and why he believes it. It exposes the "moderate Muslim myth and uncovers the deceptive nature of Islam, how its leaders intend to take over America (and the entire world), and how the plans are proceeding. It shows how the teachings of Islam are in direct opposition to the Bible and America's Constitution, and why political correctness is enabling and encouraging America's demise. It offers four possibilities as to the role Islam will play in the last days and offers suggestions as to how Americans (and others) should respond and how Christians can win Muslims to Christ.
