

A frankly pornographic novel, and I mean that as a compliment. New York Times Book Review When Cordell Carmel catches his longtime girlfriend with another man, the act that he witnesses seems to dissolve all the boundaries he knows. He wants revenge, but also something more. Killing Johnny Fry is the story of Cordell's dark, funny, soulful, and outrageously explicit sexual odyssey in search of a new way of life. It marks new territory for the bestselling author of Devil in a Blue Dress and countless other books; it will surprise, provoke, inspire, and make you blush. Above all, it is about a man questioning the rules we take for granted and the powerful and sometimes disturbing connections that occur between people when these rules are removed.

Vintage Christmas Post Cards (Vintage Postcards) (Volume 1), Slam, The Gospel of the Pentateuch : a set of parish sermons, Isopel Berners: The History of certain doings in a Staffordshire Dingle, July, 1825, My Daddy is in Iraq, A Whisper of Smoke, Easiest-Ever Friendship Bracelets That You Can Make... ..Definitely!, The Billionaire Jaguars Curvy Journalist: BBW Panther Shifter Paranormal Romance,
