

It's a full year of organization plus kittens! Kitties in the Kitchen is the week-at-a-glance calendar that helps keep busy families running smoothly. The 12 x 12 magnetic, fridge-friendly pad features tear-off pages that are divided into seven columns—one for each day of the week. Fill in every family member's activities and appointments, and nothing will fall through the cracks. Mischievous, fluffy, and lovable kittens in full color ensure the spreads are not only handy, but adorable too. Quotes for cat lovers dignify the cuteness.
