

To live with change, to optimize change, you need principles that don't change. "Dr. Stephen R. Covey Success that endures -- sustainable and balanced success -- can seem difficult to achieve in today's turbulent, complex world of change. But those who achieve this kind of success live by seven universal, timeless, self-evident principles that apply in any situation, in any culture. In *Living the 7 Habits: The Courage to Change*, Dr. Covey shows how successful people have used these principles to solve problems, overcome obstacles, and change their lives. By showing how real people have used the principles to thrive in a changing world, he provides practical guidance and powerful inspiration to readers searching for a proven framework for living a meaningful life.
