This is book 2 of the Ashton Grove Werewolves series; so if you havent read book 1, I would recommend that you read it. This book didnt disappoint. PNR (ParaNormal Romance) Fans of Jessica Coulter Smith will enjoy reading Moonlight Hero, the second book in the Ashton Grove Werewolves series. Moonlight Hero picks up where Moonlight Protector leaves off, continuing the story of the Andrews brothers. I read the first of this series and I have to admit that Moonlight Hero is even better. Coffee Time Romance You just have to love a man who knows what he wants, and puts his heart on the line to get it. Gabrielâ€™s character is all about action and honorability, the perfect traits for an alpha...This is an entertaining read with just enough action and romance to keep the characters hopping. Manic Readers The characters in Moonlight Hero are very well drawn--it is easy to get a vivid picture of them in your mind... The romance is sizzling hot and earns its erotic rating very nicely!
