

Hunter is a 2-year old boy who talks about his Daddy stationed in Iraq. He tells his Daddy what he is doing while he is away and his story, as dictated to his grandfather Rod Baker, is illustrated with photographs. During his year in Iraq, his father wrote Hunter over 200 illustrated letters to help his son learn new words and teach him other things. Featured in this book are 13 of those letters. Finally included are annotated photographs his father sent to family.>
