

Weâ€™d both gone missing at one point, but Claire had one thing I didnâ€™t. Someone to notice. So why was I the one still here and she the one still gone? Nineteen year old Megan Smith has spent the past year working in a small town diner in the middle of nowhere. Life is quiet, simple, safe. Then comes the news that her look-a-like has gone missing. Claire. Still damaged both physically and mentally, Megans not looking to be noticed. Wherever she goes from here, its a road she needs to take alone. But when Nickolas Ellis takes the job as the new nightshift cook, it scares her how easily her defenses crumble down, down, down for him. But there are secrets she cant bear to share with just anyone, unspeakable acts that continue to haunt, and when the similarities of Claireâ€™s abduction couples with the fear of an unwanted visitor in town, the urge to run before it all happens again intensifies, threatening the only happiness Megans ever found.
