

How do you deal with the person who barges in and blows up? What do you do with the co-worker who constantly creates problems for you but won't talk about what's wrong? Conflict is a reality of organizational life. But often we just react rather than responding strategically. This 50 minute tape covers fifteen strategies to make difficult discussions more productive. You'll find solutions to common problems such as what to do when attacked, how to find out what the conflict is really about and ways to prevent defensiveness.
