

No es necesario tener dinero para resolver los problemas financieros, estos solo se solucionan con una educacion financiera adecuada. Es imprescindible que las personas adquieran conciencia sobre su futuro economico y no esperen que dependa de sus gobiernos, sus empleadores o sus familias. En este libro, dos exitosos empresarios y educadores hacen mancuerna para abordar este desafio y ofrecer respuestas contundentes y claras a las preguntas que todo emprendedor se formula antes y despues de iniciar una empresa: como volverse rico; como invertir para ganar; cuales son las ventajas de los inversionistas que los ahorradores no poseen y como elegir el campo de inversion apropiado. ENGLISH DESCRIPTION Donald Trump and Robert Kiyosaki want to teach you to be rich. Both businessmen believe you cannot solve money problems with money; you can only solve them with financial education. Even though they each could have written a book on the subject, they chose instead to write it together because of their shared passion for teaching and their desire to emphasize the importance of financial education.
