

The adventure continues. Millions of Earth humans are transported to a world of magic and are in the fight for their lives against an evil Ellala Elf Emperor who sees them as soul energy to extend his life as a lich. But the forces of NATO have brought their weapons along, and its tanks against wizards, attack helicopters against dragons, nuclear weapons against elder Gods. The technology of Earth will only work for a short period of time on the new world, due to the laws of Refuge finally overwhelming the beliefs of the newcomers. So its use it or lose it, and the humans, under the command of United States Major General Zachary Taylor, use it with a vengeance. And the humans have brought along allies unlike an seen on Refuge in recent memory. Immortals of great physical power and an immunity to magic. Centenarian Kurt von Mannerheim, a veteran of the slaughter on the Eastern Front of World War Two. Ismael Levine, the Wandering Jew of legend, born prior to Christ. And newcomers, the American Jackie Smith, and the giant Brit Paul Mason-Smythe. Will they be enough to tilt the balance? Or will the humans have traded the nightmare of a nuclear ravaged world for one in which dark Gods prey on their souls? Allies will be gathered, and new enemies made, as technology fights magic in an effort to gain time and space for the forging of a new kingdom.
