

Jonathan Edwards (1703-1758) is best known as the theologian of revival. In this, his major study on the theme, he analyses the nature of a genuine work of the Holy Spirit. He was one of the few truly great theologians of the English speaking world, an intellectual and spiritual giant. Of his several treatises in this field, *The Religious Affections* ranks as *emagnum opus*. The authors object in this book is to distinguish between true and false religion by showing the marks of a saving work of the Holy Spirit in men. In his Preface, Edwards stresses the importance of using our utmost endeavours clearly to discern...wherein true religion does consist. For till this be done, it may be expected that great revivings of religion will be but of short continuance. *Includes linked footnotes for easy reference.
