

The Story and Its Writer, Compact 4th Edition: Ann Charters has an acute sense of which stories work most effectively in the classroom and knows that writers, not editors, have the most interesting and useful things to say about the making and the meaning of fiction. For those who want a smaller, less expensive anthology, the compact edition of The Story and Its Writer is the most comprehensive, diverse - the best-selling - introduction to fiction available, notable for its student appeal as well as its quality and range. To complement the stories, Charters includes her lasting innovation: an array of the writers own commentaries on the craft and traditions of fiction. For in-depth, illustrated studies of particular writers, her Casebooks provide unparalleled opportunities for discussion and writing. For a shorter, more affordable option, the compact edition offers all the editorial features of the full edition with about half the stories and commentaries.

Velvet (Promised Land Romance), B.A.D. 5 Back 2 Back, The Shadow of the Unattained: The Letters of George Sterling and Clark Ashton Smith, The Story of a White Rocking Horse, Structure and Properties of Glassy Polymers (ACS Symposium Series),
