

“Contains pace, cleverness and suspense”™ “The Scotsman Scotland, the 1930s™s. Peter Hamilton is a journalist deciding where to go on holiday when he finds an innocent looking green button lying in the street. While drinking coffee in a local establishment he is approached by a beautiful woman, advising him he is late for the “meeting”™. Unwilling to correct her, for fear of her leaving, Hamilton goes along with the ruse. Little does he know he™s about to be thrown into the middle of a deadly conspiracy. The Green Company, a gathering of ten extremely wealthy and influential members of society, are plotting to bring the nation to war for their own selfish gain, leaving the country vulnerable to the Great War that is brewing across Europe. The Secret Service agents working on this case convince Hamilton to work undercover as an informant. Can Hamilton infiltrate the group successfully and achieve his objective while keeping his true identity hidden? Will the Green Company succeed in bring the country to war? Success rests solely on the shoulders of a Scottish journalist and his ability to think quickly in the most terrifying of situations. This is an action-packed, cunning and thought-provoking novel from a masterful author. The Ten Green Brothers is a tense conspiracy thriller that will grip you from the very first page.
