

This illustrated series presents the uniforms and equipment of the United States Army from the nineteenth century to the present day. Each volume combines detailed and informative captions with over 100 rare and unusual images. These books are a must for anyone interested in American military uniforms and the history of the United States Army. In the years since the end of the Cold War, the U.S. Army has undergone some of the most dramatic changes in history, becoming a much smaller and more technologically advanced force than ever before. With more than 100 images *The U.S. Army Today* illustrates the uniforms, weapons, and equipment of the American soldier in this time of change.
