

Stranded in upstate New York with just seven days to go until Christmas, a lonesome boy comes up with an ingenious way to bring Christmas to the equally lonesome inhabitants of his small mountain community, all of whom were spending the winter far from home. Visiting each in turn, David befriends his neighbors and delights in hearing the Christmas stories they share with him, stories they heard in their homelands long ago. A final celebration brings all the neighbors of different nationalities together, forging relationships that will outlast the holiday season and sending a message of hope to a war-torn world. Suitable for ages 9 and up.
