

True love is forever. After years of chasing his best friend, Chloe, Logan finally managed to win her heart—or so he thought. His world crashes down around him when she confesses to cheating on him with a local rock star, Drake. Unable to let her go completely from his life, Logan reassumes his role of best friend while he watches Chloe find her happily ever after with another man. Each day, he sinks further and further into his depression, and the kind, caring Logan he once was dies. When Jade, a member of Drake's band, inserts herself into his life, Logan never expects to fall for her. He's too broken, too damaged. Jade ran away from home when she was seventeen, desperate to escape her abusive stepfather and her controlling boyfriend, Mikey. The only regret she has is that she left behind her little sister, Bethaney. When Jade's band, Breaking the Hunger, hits it big, she vows to go back to her hometown not only to reconnect with her little sister, but also to show her stepfather that she's not worthless like he said. The moment Jade saw Logan, she knew she wanted him. Unfortunately, he was with Chloe at the time. After his world falls apart, Jade steps in to comfort him, determined to bring back the Logan she once knew. Sometimes, you find true love with the person you never least expect. Can Logan and Jade heal each other? Or will they forever be changed by their toxic pasts?
