Holly: Filled with regret for being a stay-at-home mom, she sheds sixty pounds and loses herself in the world of extramarital sex. Will it bring the fulfillment she is searching for? Andrea: A single mom and avowed celibate, she watches her friend Holly's meltdown with a mixture of concern and contempt. Holly is throwing away what Andrea has spent her whole life searching for—a committed relationship with a decent guy. So what if Andrea picks up Holly's castaway husband? Marissa: She has more than her fair share of challenges—a gay, rebellious teenage son, a terminally ill daughter, and a husband who buries himself in his work rather than face the facts. As one woman's marriage unravels, another's rekindles. As one woman's family comes apart at the seams, another's reconfigures into something bigger and better. In this story of connections and disconnections, one woman's up is another one's down, and all of them will learn the meaning of friendship, betrayal, and forgiveness.
