

Every year on Thanksgiving, the turkeys of Turkeyton Town hold a spectacular celebration. They decorate the streets and prepare for a tremendous feast of fresh cornbread, steaming potatoes, savory pumpkin pie and, of course, the main dish: roasted humans. But this year, the feast is hijacked by a trio of ravenous foxes who plan on capturing the entire town and devouring every resident. The villagers only hope rests with a non-violent, vegetarian turkey named Quirky, who must stop the foxes in time to save the holiday before its too late.
