

Arizona became the nation's 48th state in 1912 and since that time the Arizona constitution has served as the template by which the state is governed. Toni McClory's *Understanding the Arizona Constitution* has offered insight into the inner workings and interpretations of the document and the government that it established for almost a decade. Since the book's first publication, significant constitutional changes have occurred, some even altering the very structure of state government itself. There have been dramatic veto battles, protracted budget wars, and other interbranch conflicts that have generated landmark constitutional rulings from the state courts. The new edition of this handy reference addresses many of the latest issues, including legislative term limits, Arizona's new redistricting system, educational issues, like the controversial school voucher program, and the influence of special-interest money in the legislature. A total of 63 propositions have reached the ballot, spawning heated controversies over same-sex marriage, immigration, and other hot-button social issues. This book is the definitive guide to Arizona government and serves as a solid introductory text for classes on the Arizona Constitution. Extensive endnotes make it a useful reference for professionals within the government. Finally, it serves as a tool for any engaged citizen looking for information about online government resources, administrative rules, and voter rights. Comprehensive and clearly written, this book belongs on every Arizona's bookshelf.

The Art of Decorative Mosaics (The Art of Crafts), Luke Cage, Hero For Hire Marvel Masterworks Vol. 1 (Luke Cage, Hero For Hire (1972-1973)), Nolos Essential Guide to Buying Your First Home (Nolos Essential Guide to Buying Your First House), You're Next, Oracle (Oracle Trilogy Book 2),
