

Highly sexualized by their biology and easily aroused, the women of Ranexx are naturally submissive a fact the Empire takes full advantage of. Our heroine, Virgelina, is a pampered pleasure submissive, sent by her Master to the Imperial Palace to serve the Emperor. However, when Virgelina disobeys, it is she, not her Master, who must face horrible punishment at the hands of the trainer Varius. After days of torment, Virgelina is forced to confront her Master to survive, but he abandons her to her cruel fate. Will Virgelina survive to find a new Master to serve and perhaps love?
