

George Washington's slave Caesar escapes to fight for the British against his former master in this action-packed historical adventure set against the spectacular background of the American Revolution. In 1773 a new slave arrives at George Washington's Virginia estate and is given the name Caesar. But the looming war for independence will soon bring a turn of events neither master nor slave could have predicted. Within months they will be fighting on opposite sides: Washington as commander of the Continental Army, Caesar as a soldier in the legendary Loyalist corps made up of former slaves. In this captivating tour de force brimming with spectacular battle scenes and gripping historical detail, Caesar's perilous rise through the British ranks is deftly interwoven with the story of Washington's war years, leading to the day when they come face to face again this time in uniform!

And Then I Had Teenagers: Encouragement for Parents of Teens and Preteens, La mare au diable [Epic Audio Collection], An Amish Storm: An Amish Romance (Longings for Faith Book 2), Munich Insight Pocket Guide, The Mercenaries,

Washington and Caesar has 99 ratings and 14 reviews. Nancy said: As I know rather a lot about this period in History, I found this to be even more exciting. About Washington and Caesar. Inspired by a little-known historical fact that American slaves fought alongside the British in the Revolutionary War this epic .

George Washington's slave Caesar escapes to fight for the British against his former master in this action-packed historical adventure set against the. The search ended on May 7, when George Washington paid an unnamed person \$25 for taking up Caesar. This was not the first time that Caesar had left.

An epic populated by the likes of George Washington and Alexander Hamilton, various colonial bad and good guys, sympathetic Brits, and an.
