

â€œ[A] destined-to-be classic ... Hayderâ€™s work and characters are worth the unending nightmares they will inspire.â€•â€”The New York Times Book Review Edgar Award winner and international best-seller Mo Hayder is known for her nightmarishly dark, impeccably-plotted thrillers. In *Wolf*, now in paperback, Hayder ratchets up the terror yet another notch with a bone-chilling novel about a family held hostage in their country home. When a vagrantâ€”the Walking Man, a recurring character in Hayderâ€™s fictionâ€”finds a dog wandering alone with a scrap of paper with the words â€œHELP USâ€• attached to its collar, heâ€™s sure itâ€™s a desperate plea from someone in trouble and calls on Detective Inspector Jack Caffery to investigate. Caffery is reluctant to get involvedâ€”until the Walking Man promises in exchange new information regarding the childhood disappearance of Cafferyâ€™s brother. Meanwhile, the Anchor-Ferrers, a wealthy local family, are fighting for their lives in their remote home ten miles away. As their ordeal becomes increasingly bizarre and humiliating, the family begins to wonder: is this really a random crime, or have they been chosen for a reason?â€•The home invasion novel to end all home invasion novels ... Not unlike John Connollyâ€™s Charlie Parker novels or T. Jefferson Parkerâ€™s Charlie Hood books. *Wolf* is exceptionally original in premise and nightmarish in its rendering.â€•â€”BookPageâ€œMo Hayder is a master of ratcheting up tension throughout a bookâ€”to the point that one must simply finish it before doing anything else. Such is the case with *Wolf*.â€•â€”*Deadly Pleasures* (Rating: A-)â€œMo Hayderâ€™s books featuring Jack Caffery are always an entertaining and engaging read, and this one doesnâ€™t disappoint.â€•â€”Euro Crime
